NHACC Member Services

Need information, ideas or advice? Members *always* get first priority.

Other member services include:

- Electronic newsletter for all member commissioners - see next page for sign up link
- Social media and other opportunities to promote your great work
- Online forum specifically for conservation commissioners
- Easily create a web page for your commission at www.nhacc.org
- Extensive online Resource Library for NHACC members

Wetlands Scientist Jim Kennedy leads NHACC's Wetlands Identification course at Lyme Hill Conservation Area.

- Discounted Field Training Series registration
- Discounted Annual Meeting and Conference registration
- Discounted Handbooks for NH's Municipal Conservation Commissions
- Member commissions are eligible for voting at the NHACC Annual Meeting
- Member commissioners are eligible to be on the NHACC Board, Nominating Committee and other committees
- Representation at the State House on legislative matters

Representation on a number of committees and working groups (NHACC member commissioners are eligible to sit on a number of these):

- Advisory Committee to revise the NH Source Water Protection Strategy, DES
- Audubon's Conservation Department Advisory Committee
- Center For Land Conservation Assistance
- Groundwater & Drinking Water Protection Program Advisory Committee, DES
- Current Use Board
- Forest Stewardship Committee
- Geological Resource Advisory Committee, DES
- Groundwater Withdrawal Study Commission
- Lakes Management Advisory Committee
- NH Heritage Trail (standing subcommittee of the NH Statewide Trails Advisory Committee)
- NH Land Trust Coalition
- Open Project Selection Process Committee
- Rivers Management Advisory Committee
- Shoreland Protection Act Study Commission
- Shoreland Protection Act Rulemaking Committee
- Site Selection Committee (In Lieu Fee Fund) SB 140
- Solid Waste Advisory Committee
- State Conservation Committee
- State Technical Committee, NRCS
- Waste Management Council
- Water Management Planning Area Advisory Committee for the Lamprey River
- Water Management Planning Area Advisory Committee for the Souhegan River
- Water Quality Standards Advisory Committee, DES
- Wetlands Council

When you support NHACC you are supporting numerous efforts such as: the Annual Meeting and Conference held the first Saturday in November, Field Training Series, publications designed for the needs of conservation commissioners, a voice for environmentally responsible legislative action and rulemaking in NH, promotion of conservation commissions, etc.

NHACC is the only organization specifically serving the needs of conservation commissions in New Hampshire.
